RE: Company Bulletin 2025-08 Health Insurance Data Call Due June 13, 2025

The Department of Insurance (Department) annually collects data from companies that offer coverage in the Individual market in Illinois. As noted in CBs 2023-03 and 2023-13, the Department collects this data set to assess the state of the private health insurance market and perform updated analysis related to healthcare affordability initiatives, such as those modeled in the 2021 Feasibility Study completed under PA 101-0649.

Please provide the EDGE server files listed below for the 2024 benefit year:

- HCRPDE (High Cost Risk Pool Detail Enrollee)
- TPIR (Transfer Payment Issuer Report)
- RARSD (Risk Adjustment Risk Score Detail Report)
- RARSS (Risk Adjustment Risk Score Summary Report)
- RATEE (Risk Adjustment Transfer Elements Extract)

Files can be sent securely through RRC's file exchange platform or through your company's own secure file exchange platform. If you desire to use RRC's platform, please provide a Name and Email address to one of the RRC contacts listed below to receive an invite for data upload. All files will be stored and analyzed on a secured drive by the DOI, HFS, or their contracted consultants. The data and any results will be kept confidential. If known data issues exist with the data uploaded to the EDGE server and underlying the reports, please disclose the extent of the data issue, and the estimated impact (if available).

The data requested by this data call is due June 13, 2025.

All information provided by the companies will be kept confidential with the exception that aggregated information may be made publicly available as part of the Department's analysis.

All inquiries related to this data call should be directed to Becky Sheppard at Becky.Sheppard@riskreg.com and Andrew Larocque at Andrew.Larocque@riskreg.com.
