Provisions for all policies and claims incurred prior to January 1, 2017, remain unchanged. However, pursuant to 215 ILCS 5/223(8)(c), the Jan. 1, 2019 Edition of the NAIC Valuation Manual (adopted September 10, 2018) is the currently effective version in Illinois for policies issued and claims incurred on or after January 1, 2017. The Department is in the process of amending 50 Ill. Adm. Code 2004 to reflect the edition in effect as required by statute.
2. Companies that write small group health insurance in Illinois are required to submit by May 15 of each year a certification of compliance with the Small Employer Health Insurance Rating Act. 50 Ill. 5. For all Credit Life rate filings that do not file prima facie rates and for all Credit Accident and Health rate filings, an actuarial memorandum is required to be submitted. Experience exhibits are also required to be filed with all Credit Accident and Health rate filings to demonstrate compliance with the 50% loss ratio requirement in 50 Ill. Adm. Code 1052.
