All filings are public record in accordance with 215 ILCS 5/404 except where another provision of the Insurance Code says otherwise. The only code section that allows for a filing to be a trade secret or confidential is 215 ILCS 157/40 Use of Credit Information in Personal Insurance Act.

The Department's checklists include summaries that do not provide detailed information about all laws, regulations and bulletins. Therefore, the insurers should review the actual laws, regulations and bulletins to ensure forms are fully compliant before filing with the Department.

A form filing fee is required pursuant to 215 ILCS 5/408 (1)(jj).

May not refuse to issue a policy on sole basis of previous refusal, cancellation or nonrenewal by any insurer.	215 ILCS 5/143.10	No company shall refuse to issue a policy on the sole basis that the insured or applicant for such policy was previously refused issuance or renewal of a policy by an insurer, or such insured's policy was cancelled on a prior date by any insurer.

RENEWAL		REQUIREMENTS
Assignment or transfer of policies among or between insurers within an insurance holding company system or insurers under common management or control, or as a result of a merger, acquisition, or restructuring of an insurance company, is not a nonrenewal for purposes of the notification requirements.	215 ILCS 5/143.11b	Assignment or transfer of policies among or between insurers within an insurance holding company system or insurers under common management or control, or as a result of a merger, acquisition, or restructuring of an insurance company, is not a nonrenewal for purposes of the notification requirements. If the increase in the renewal premium is 30% or more, contains a change in deductibles or change in coverage that materially alters the policy, the company must adhere to provisions in Section 143.17a as described below.
		A company making an assignment or transfer of a policy among or between insurers as stated above, must deliver to the named insured notice of such assignment or transfer at least 60 days prior to the renewal date. An exact and unaltered

		copy of the notice shall be sent to the insured's producer, if known, and agent of record.
Requirements for advance notice of renewal with changes in deductibles, changes in coverage that materially alters the policy, or increase of 30% or more.	215 ILCS 5/143.17a Illinois Supreme Court Rule 236	If an insurer offers to renew directly to the named insured with a renewal increase of 30% or more, or with a change in deductible or coverage that materially alters the policy, the insurer must mail or deliver to the named insured, written notice of such premium increase or change at least 60 days prior to the renewal or anniversary date. The increase in premium shall be the renewal premium based on the known exposure as of the date of the quotation compared to the premium as of the last day of coverage for the current year's policy, annualized. The premium may be subsequently amended to reflect any change in exposure or reinsurance costs not considered in the quotation. The renewal notice must provide the specific dollar amount of the premium. Renewal notices issued with the wording "your premium increase will be 30% or more" do not comply with the Code. Notification must also be mailed to the insured's broker, if known, or the agent of record and to the mortgage or lien holder listed on the policy. If the insurer fails to provide 60 days notice in advance of the renewal or anniversary date but provides notice at least 31 days prior to the renewal or anniversary date, the company must extend the current policy under the same terms, conditions and premium to allow 60 days notice, and provide the actual renewal premium quotation and any change in coverage or deductible on the policy. If the insurer fails to provide as described
		above, the insurer must renew the expiring policy under the same terms and conditions for an additional year or until the effective date of any similar coverage procured by the insured, whichever is earlier. The insurer may increase the renewal premium, however such increase

		must be less than 30% of the expiring term's premium, and notice of such increase must be delivered to the named insured on or before the date of expiration of the current policy period. Proof of mailing or proof of receipt may be proven by a sworn affidavit by the insurer as to the usual and customary business practices of mailing notices pursuant to Section143.17a or may be proven consistent with Illinois Supreme Court Rule 236.
