All filings are public record in accordance with 215 ILCS 5/404 except where another provision of the Insurance Code says otherwise. The only code section that allows for a filing to be a trade secret or confidential is 215 ILCS 157/40 Use of Credit Information in Personal Insurance Act.

The Department's checklists include summaries that do not provide detailed information about all laws, regulations, and bulletins. Therefore, the insurers should review the actual laws, regulations, and bulletins to ensure the forms are fully compliant before filing with the Department.

A Form Filing Fee is required pursuant to 215 ILCS 5/408 (1)(jj).
