2022 Market Share Detail

Content Overview

The 2022 Market Share Report (Report) for Life, Accident & Health (A&H) business covers all companies which report Life, A&H, or Annuity business in their 2022 year-end Life Annual Statements. These companies include Licensed Companies, Surplus Lines and Risk Retention Groups.

The Report contains summary tables for all lines of business within the Life statement filing groups, as well as an Overall Market Share section. The Overall MS and summary table of each line of Life business provide the following statistics by company:

- NAIC Code
- Company Name
- State of Domicile
- Illinois Direct Premiums Written (DPW) concerning Life or A&H
- Annuity Considerations (AC) for Overall Market Share
- Illinois Market Share
- Illinois Direct Premiums Earned (DPE),
- Illinois Dividends
- Illinois Direct Losses Incurred (DLI)
- Illinois Direct Losses Paid or Direct Benefits Paid for Overall Market Share, and
- Illinois Pure Direct Loss Ratio.

Each line's summary table omits statistics for companies that have no Illinois DPW (or AC) for that line except when there are DLI during 2022. If a line's summary table shows zero grand totals for DPW, AC, and DLI, it means that there is no business written or incurred losses by any company for this line of business in Illinois.

A company's Market Share percentage for a particular line of business is defined as the ratio between the company's Illinois DPW and the Illinois's total DPW, for that line, multiplied by 100.
