2022 Market Share Detail

Content Overview

The 2022 Market Share Report for Property and Casualty includes all companies currently listed as having Business Written on the Property and Casualty Statement for the 2022 year. This includes Licensed Companies, Surplus Lines and Risk Retention Groups.

This report generally omits companies with zero 2022 Illinois Direct Premiums Written in a given line of business, except where losses incurred are present. All lines of business showing grand totals of zero had no business written or losses incurred in Illinois by any company

Illinois Market Share percentage has been calculated as: Direct Premium Written divided by Total Illinois Direct Premiums Written multiplied by 100. Market Share is calculated per line of business within the Property and Casualty Statement filing group.

This report includes the following amounts (per company, and aggregated per line of business): Illinois Direct Premiums Written, Illinois Direct Premiums Earned, Illinois Direct Losses Incurred, Illinois Pure Direct Loss Ratio (the ratio of losses incurred during 2022 to the earned premium for 2022). All data in this report relies upon financial information for the state of Illinois only, as found in the 2022 Annual Statements.
