Annual Report to the

Illinois Department of Insurance

JB PRITZKER
Governor

ANN GILLESPIE
Director

Honorable JB Pritzker
Governor
State of Illinois
Springfield, IL

Dear Governor Pritzker:

I am pleased to submit the Annual Report on behalf of the Illinois Department of Insurance (DOI). The Department's mission is protecting consumers by providing assistance and information, efficiently regulating the industry's market behavior and financial solvency, and fostering a competitive insurance marketplace to benefit consumers.

Some 2024 highlights are shown by category below.

- State-Based Marketplace
 - In 2024, the Department began the design phase of the [State-Based Marketplace \(SBM\) initiative](#). In March, Morgan Winters, formerly the Deputy Director and Chief Operating Officer of Minnesota's SBM, was hired to lead the initiative. The [Illinois Health Benefits Exchange Advisory Committee](#) held its inaugural meeting that same month. The Committee, which advises the SBM Director, is co-chaired by ex officio leaders from the Departments of Insurance, Healthcare and Family Services, and Human Services.
 - In July, the Department submitted Get Covered Illinois' [Exchange Blueprint Application](#) to federal CMS. This Blueprint outlined Get Covered Illinois' (GCI) approach and timeline for completing all required milestones to transition Illinois to a State-Based Marketplace on the Federal Platform (SBM-FP) for plan year 2025 and then, to a full SBM in 2026.
 - In August, in response to the State's Blueprint Application, federal CMS formally recognized [Get Covered Illinois as a SBM-FP](#) granting GCI authority to administer its own [Navigator Program](#). This Program will provide enrollment assistance and outreach to Illinois residents, perform plan management functions and collect user fees during the 2025 open enrollment period.
 - In September, the Navigator Program launched with [\\$6.5 million in grant funding](#) to support the outreach and enrollment assistance operations of five community-based organizations. GCI also began filling critical roles on its leadership team, including Chief Operating Officer and several director-level positions.
 - Following a rigorous [solicitation and procurement process](#), the Department executed a contract in October with [GetInsured](#). This contract includes support for GCI's technology platform and customer assistance center for the Fall 2025 SBM launch. Development began immediately.
 - GCI's first open enrollment as a SBM-FP commenced on November 1 and ran through January 15, 2025. A [record 466,000 Illinois residents enrolled in coverage](#) during GCI's first open enrollment period, a 17 percent increase compared to the previous year.
- Climate
 - A Climate Regulation Senior Advisor was hired to assist with identifying policy and operational changes that could be implemented to move DOI climate initiatives forward.
 - The DOI is a member of the Sustainable Insurance Forum (SIF). SIF is a collaborative network aimed at addressing sustainability and climate change issues impacting insurance companies, insurance markets, and policyholders.
 - The DOI is one of a group of state DOIs that require companies that meet the written premium threshold to submit a climate survey.
 - An internal DOI Climate Committee meets regularly to discuss current issues and to increase agency knowledge on climate related issues.
- International
 - The DOI hosted 2 supervisory colleges and participated in 13 colleges hosted by other jurisdictions. The colleges further the Department's understanding of the largest insurance groups under Illinois' supervision and build relationships with insurance regulators globally.

Illinois Department of Insurance

JB PRITZKER
Governor

ANNE GILLESPIE
Director

- The International Association of Insurance Supervisors (IAIS) is a standard setting body made up of insurance supervisors from jurisdictions around the world, including the Federal Insurance Office, the Federal Reserve Bank, all U.S. states, the District of Columbia, five U.S. territories, and the National Association of Insurance Commissioners (NAIC). The DOI was elected by the NAIC to represent US insurance regulators on a team of 7 international insurance supervisors established by the IAIS in June 2023 to review Insurance Core Principle (ICP) 16 on Enterprise Risk Management. The work on this engagement was completed in November 2024.
- Significant Legislative Changes
 - The DOI led legislative efforts to protect health insurance consumers by regulating predatory practices the insurance companies used to restrict consumers' access to healthcare. The **Healthcare Protection Act (HPA)** puts the power back into the hands of patients and their doctors. The HPA bans prior authorization for in-patient hospital-setting mental health treatments and step therapy, while requiring premiums to be actuarially sound.
 - The DOI passed the **Birth Equity Initiative** which focuses on reducing the disparities that make black women three times more likely to die from pregnancy-related causes compared to other women. This legislation requires insurers to provide coverage for critical birth services, emphasizing both community and hospital-based care that saves lives.
 - The DOI also passed legislation to ban **Short-Term Limited Duration (STLD)** plans due to concerns that these plans do not adequately protect Illinois consumers and patients.
- The Department's Enforcement/Investigations Division collected \$88,160 from Surplus Lines with that division closing 109 cases.
- The Market Conduct Division closed out 15 total examinations. Of these market conduct exams, 10 were targeted and 5 were comprehensive, taking in a total of \$1,575,375 in fines.
- The Department's Life Policy Finder service assists consumers in identifying whether a life insurance policy or annuity contract exists for a deceased individual. In 2024, the Department handled 1,146 requests and helped recover more than \$23.8 million for Illinois consumers. Since its inception in 2016, this service has handled 10,070 requests and recovered over \$157 million for Illinois consumers.
- Our service for Illinois insurance consumers and companies also included:
 - Processing more than 4,468 external review requests
 - Processing more than 3,847 health complaints
 - Processing more than 7,000 property and casualty complaints
 - Licensing 16 new companies (domestic and foreign)
 - Processed 177 corporate filings
 - Processing 4,155 new and renewal surplus lines producer licenses

I hereby submit the Illinois Department of Insurance Annual Report for 2024, which contains a summary of the Department's regulatory units, administrative units, and fiscal operations.

Respectfully submitted,

Ann Gillespie

Organizational Structure

The following Divisions provide regulatory oversight of company market conduct, policy forms and rates, and solvency.

Market Conduct Division

The Market Conduct Division’s mission is to monitor and examine insurance companies, to confirm compliance with Illinois laws and regulations, and to educate and inform insurance consumers. In 2024, outreach staff from across the Department connected with numerous local chambers of commerce, government partners, insurance producers, and local Navigators to provide consumers with the most up-to-date information for acquiring coverage and for filing complaints with the Department, which can lead to examinations and investigations.

Market conduct examinations and other enforcement investigations of insurance companies operating in the State of Illinois specifically examine a company’s compliance with applicable laws and regulations. This includes consumer-related practices such as claims handling, underwriting, rating, advertising, licensing of agents and producers, complaint handling, and customer service. A team of staff and vendors with specializations in life, health, and property and casualty insurance conduct the Division’s examination work. The Division’s recent market conduct examination reports and orders issued can be reviewed online here:

The Division closed a total of fifteen exams in 2024. Of these, ten were targeted exams and five were comprehensive. As a result of these exams, the Department collected \$1,575,375 in civil forfeiture fines including \$132,000 for findings related to mental health parity.

Financial and Corporate Regulatory Division

The Financial and Corporate Regulatory Division is responsible for analyzing and monitoring the financial condition and statutory compliance of insurance companies, Health Maintenance Organizations, and other insurance risk-bearing entities domiciled or licensed in Illinois. Of the 677 funds in Illinois, 15 are state-wide, state-financed, City of Chicago, or County of Cook funds. The other 662 funds are downstate police and fire funds, financed locally and regulated by the Pension Division. For more information see the “2025 Biennial Report” of the Pension Unit.

Enforcement and Investigations Division

The Enforcement and Investigations Division consists of the Workers’ Compensation Fraud Unit (WCFU), the Producer Regulatory Unit and the Producer Licensing, Education and Testing Section.

The primary responsibility of the WCFU is to conduct investigations of workers’ compensation fraud and to refer worthy cases for prosecution.

The Producer Regulatory Unit regulates insurance producers and other Illinois insurance licenses through comprehensive investigations to examine compliance with Illinois insurance laws and rules.

The Producer Licensing, Education, and Testing Section develops and administers licensing examinations required of prospective insurance producers and public adjusters.

Legislative Affairs Division

The Legislative Affairs Division advises the Director and executive leadership team on legislative issues impacting Illinois insurance marketplaces and consumers, implements the Department’s legislative agenda, and works with federal and state legislative offices to resolve constituent inquiries.

The Department of Insurance works closely with legislators and other stakeholders to enact a robust legislative agenda. In 2024 the Department passed several key bills aimed at protecting consumers and increasing the administrative efficiency of the Department.

The Department, in conjunction with the Governor’s Office, led legislative efforts to protect health insurance consumers by regulating predatory practices used by insurance companies to restrict consumers’ access to healthcare. **The Healthcare Protection Act (HPA)** puts the power back into the hands of patients and their doctors. The HPA bans prior authorization for in-patient hospital-

setting mental health treatment and also bans step therapy, while requiring premiums to be actuarially sound.

Again, the DOI along with the Governor's Office also passed legislation to assist the Governor's **Birth Equity Initiative** that was unveiled in his State of the State Address. The Birth Equity Initiative was focused on reducing the disparities that make black women three times more likely than white women to die from pregnancy-related causes. This legislation requires insurers to provide coverage for critical birth services, emphasizing both community and hospital-based care that saves lives.

Additionally, the DOI identified areas where updates were needed to allow for effective management of the **State-Based Marketplace**. This included bringing Illinois in line with various federal state-based marketplace guidelines on the federal platform and related requirements.

The Department also ran its annual **administrative correction legislation (2024 Admin bill)**, which aims to resolve technical inconsistencies or overlooked issues discovered in statute. This bill includes small changes to the Illinois Insurance Code to improve efficiency and address any discrepancies identified within the Insurance Code.

The DOI also drafted legislation that updates statutes that govern the **market conduct examination** and analysis processes employed by the Department. These laws are important regulatory tools used in enforcing compliance with the Illinois insurance laws. The DOI passed legislation to clarify and strengthen its authority to complete market conduct examinations and data calls.

The DOI believes **Short-Term Limited Duration (STLD)** plans do not adequately protect Illinois consumers and successfully passed legislation to ban their sale in Illinois. Additionally, certain expected benefit plans were also lacking appropriate safeguards against abuse and the DOI included tighter regulation for these plans within this piece of legislation.

The DOI also took efforts to strengthen **Workers Compensation laws** for companies doing business in Illinois. The DOI passed an initiative to modify the workers' compensation act to clarify the proof required to convict someone who has created and/or provided a false certification under Illinois workers' compensation codes. Additionally, the DOI passed an initiative to provide that a final decision by the Illinois Workers Compensation Commission (IWCC) imposing fines on a noncompliant employer will be enforceable as a judgement once entered with the circuit court.

This year, the DOI sought to clarify the definition of "**adverse determination**" and "**utilization review organization**" (**URO**) registration requirements. This change was proposed to better protect consumers and assist them in receiving the care they require in the most efficient and expedient manner.

The following insurance-related bills were also passed in 2024. Complete texts can be found at [Illinois General Assembly - Home Page](#):
